YES to mutual joy and gratitude for myself and others... to being free to connect, support, inspire, encourage, and share the love, respect, appreciation, health and wealth! Fearful thoughts they fade... fade away. YES to joy, generosity, beauty, freedom, communion, grace, vitality and life - to ENOUGH here now!

"I can see clearly now" both physically and intuitively.

To 'be enough' and 'have enough' HERE NOW! To feel worthy and to be free and able to give, love, connect, THRIVE. I AM ENOUGH HERE NOW. I HAVE ENOUGH HERE NOW. We are enough. We have enough. I am all. I am enough. Yes, I am enough, with all my cracks and flaws, here now.

I've included prayers that I said with them. Make up your own if you like and trust what feels true for you!
